

## All Flowers Are Waking

All the flowers are waking,  
Spring has come again,  
God has sent the sunshine,  
God has sent the rain.

All trees are waking,  
Spring has come again,  
God has sent the sunshine,  
God has sent the rain.

All birds are singing,  
Spring has come again,  
God has sent the sunshine,  
God has sent the rain.
